Chapter 1 by liltato

I like being outside when it rains, the air is cool, the cold rain drops can give a soothing feeling on a hot day, and the noise the drops make when they fall on the ground is relaxing. But the best thing about a good old rainy day is the puddles. Puddles. It's a great word. When we were kids we loved to run outside in our rain boots and jump in the biggest puddles ever, making them splash.
